

AMERICAN QUARTER HORSE ASSOCIATION

International Registration Application

This registration application must be used when registering a horse based on a certificate of registration issued by an approved international affiliate operating its own studbook.

- Attach a copy of the certificate issued by the international studbook.
- AQHA will use the name printed on the international certificate for the horse's name at AQHA. Be aware that it may be modified to meet AQHA's computer requirements.
- Include pictures of the horse. One of each side, front and back; or, draw all white markings on the back of this form.
- Genetic testing for parentage or disease may be required. Be aware that if a horse is not DNA typed through Veterinary Genetics Laboratory at the University of California-Davis, it will be necessary to retype the horse if the horse is exported outside of the country in which it was originally registered or if semen or embryos are shipped outside of the country in which it was originally registered.
- The horse must trace a minimum of 93.75 percent (15/16) lineage to horses issued certificates by the American Quarter Horse Association.
- This application must be signed by the owner of record on the international certificate.
- This application must be sent to AQHA by the affiliate who issued the international certificate.
- Cost is \$25 for members. \$65 for non-members.
